Grade Scale

MHS awards grade points on a weighted 4.0 scale. A student's GPA is determined by the total number of grade points earned divided by the number of courses for which grades are recorded on the academic achievement record. Each 18-week semester consists of two nine week reporting periods. Credit is awarded at the end of each semester. A student's average grade must be 70 or above to receive credit for any course.

Grade	Grade Points Awarded		
	AP/PAP	Academic	Basic

MCKINNEY HIGH SCHOOL STUDENT INVOLVEMENT

Students in grades 9-12 compete in 17 interscholastic sports including: baseball, boys basketball, girls basketball, boys cross country, girls cross country, football, boys golf, girls golf, boys soccer, girls soccer, softball, swimming, tennis, boys track, girls track, volleyball, and wrestling. Moreover, the visual and performing arts have always been a priority in McKinney ISD. When other districts were cutting theatre, art, and music programs, McKinney ISD was finding ways to contribute more funds to these valuable areas of education.

Award winning marching bands, state-recognized choir programs, concert performances, and visual arts programs are just a few reasons parents and teachers are attracted to the Fine Arts programs in McKinney ISD. In addition to Athletics and the Fine Arts, MHS students can participate in nearly 40 different clubs and organizations. Extracurricular activities such as these allow students to become involved in specific areas of interest and to apply what they are learning in the classroom. These programs help develop well-rounded students, improve self-esteem, and build self-discipline. The skills learned through participation in extracurricular activities will serve students well as they move into postsecondary education and career pursuits.

A Community of Excellence

Focused on the Future

Rich in Legacy

OUR PRIDE

FACULTY: Teachers have a total of 889 years of experience at MHS. Of the 141 teachers, 29 have taught on this campus for more than 10 years. They send their own children here. The faculty and staff have had 70 of their own children graduate from or currently attend MHS.

TRADITIONS: It all started here. The senior parking spots, MORP, beat the drum, battle of the bands, powder puff football, decorate the halls. We're not trying to find our way, we're moving forward with foundation.

STUDENTS: We believe all children can learn and that we must have heard, be lion-hearted you might say, to inspire them. We are proud of our diversity and our opportunities.
