

Important STAAR Dates Ahead

Dear Third, Fourth, and Fifth Grade Parents:

Below are the dates for the upcoming STAAR assessments during the months of March and April. Since these are important dates for your child, we ask that you please not schedule any appointments during the school dates listed below. Providing the best testing environment for your child is of paramount importance for each student. Our testing days will provide our students with a chance to demonstrate all the knowledge and skills they have accomplished during this past year. We are so proud of our students for always working their hardest and for doing their personal best.

Thanks for all that you do as parents to help support the educational process at Wolford. We love and appreciate our volunteers. Volunteers, however, are asked to please reschedule classroom volunteer times during testing days. No parents will be allowed to visit our building during our testing days or during lunch hours as well. **THIS PERTAINS TO ALL GRADE LEVELS. STUDENTS ARE NOT ALLOWED TO BRING CELL PHONES ON TESTING DAYS BASED ON PROTOCOL GUIDELINES.** Parents, please be aware that teachers WILL NOT have access to their computers during testing days so they will not be able to respond to your questions during the daytime hours of testing.

Fran Gratt

IMPORTANT STAAR
